Dear Kellie,

I want to take a moment to Thank You and your group for coming to our school this spring. It was a FANTASTIC program! The students at Twin Lakes had a chance to hear about how to behave around dogs.

When the dogs came into the school I overheard my secretary say "I can't believe they're bringing in Rottweilers and PitBulls." After I came back from your program I told her how well the dogs behaved around the students. It was impressive!

My own kids who attended the program told me that it was fun to learn about how to approach a dog. They told me that their friends said it was a "cool" program.

Good luck to you and your program. I think it is good for kids to learn about how to behave around dogs. It was fun to see how the dogs interacted with the students! OUTSTANDING program!

Thank you,

Daniel T. Collins
